CORALVILLE, JOHNSON COUNTY, IOWA**

The undersigned, being the owners of all lots in the Subdivision to Coralville, Johnson County, Iowa, known as FOREST EDGE ESTATES - PART THREE, the Dedication of which Subdivision is recorded in Book 42 , Page 112 , in the Office of the County Recorder of Johnson County, Iowa, for the mutual benefit of those persons who may purchase any of the lots in said Subdivision now owned by the undersigned, hereby impose the following covenants and restrictions on each lot in said Subdivision, which shall be binding upon all of the present and future owners of each and every parcel of ground in said Subdivision as covenants running with the land, and with such force and effect as if contained in each subsequent conveyance of land.

1. All lots shall be used only for single-family residential purposes, and no structure shall be erected on any lot other than a single-family dwelling not exceeding two (2) stories, or two (2) stories and an exposed basement to the side or rear, and an attached garage not to exceed three (3) cars.

2. The following provisions shall be applicable to construction on the Subdivision lots:

a. No lot shall be subdivided. This provision shall not prevent a conveyance of a portion of one lot to the abutting owner of another, so long as said conveyance does not result in an additional building lot being created thereby.

b. No building shall be erected on any lot having a ground floor living area of less than one thousand, four hundred (1,400) square feet in the case of a one (1) story structure, nor less than nine hundred (900) square feet in the case of a one and one-half (1½) or two (2) story structure, provided that said one and one-half (1½) or two (2) story structure contains a minimum total of one thousand, six hundred (1,600) square feet. Garages, breezeways, screened porches, open porches, decks or third-story square footage shall not be considered as ground floor area.

Forest Edge Development Co. or its nominee shall approve or disapprove the application within a period of ten (10) days after receipt of all of the above documents, and in the event of disapproval, shall specify the exact reasons therefor to enable the applicant to correct the application in order to obtain approval. Disapproval shall be for substantial cause, it being the intent of this restriction to permit improvements that will enhance the aesthetics of the Subdivision and maintain or improve property values.

h. Prior to the construction or installation of any mailbox, the design shall be submitted to and be approved by Forest Edge Development Co. or its nominee.

i. All driveways, vehicle parking areas, and walkways will be constructed of concrete, and will be completed within the eight (8) month period set forth in the immediately preceding paragraph. All sidewalks must be four feet (4') in width.

q. As a part of the construction, each lot owner shall be responsible to grade and maintain his or her lot in such a manner so as to minimize damage which might result to other lots or common areas as a result of erosion and surface water drainage.

r. Any dirt excavated on a lot in the Subdivision shall either be put back in place by the completion of construction, or in the event there is excess dirt, then this excess dirt can be moved to another location in the Subdivision pursuant to the direction of Forest Edge Development Co. or its nominee. No dirt may be removed and taken outside of the Subdivision from any lot without the consent of Forest Edge Development Co. or its nominee.

s. The owner shall construct, at the owner's expense, a sidewalk in accordance with the city ordinances of the City of Coralville. Such sidewalk shall be constructed within one (1) year following completion of the home. In the event a lot remains unsold and is located between two lots that have been developed and on which sidewalks have been constructed, Forest Edge Development Co. or its nominee will construct, at their expense, a sidewalk that connects the two existing and adjoining sidewalks. Forest Edge Development Co. or its nominee will have one (1) year within which to construct same following the completion of the last adjoining sidewalk to be constructed.

No trees or natural vegetation shall be cut down on any lot without the consent of Forest Edge Development Co. or its nominee. The plans and specifications which are to be approved pursuant to Paragraph 2(g) of the protective covenants shall also show the location of any trees which are six inches (6") in diameter or bigger which are to be removed in order to construct a house.

g. No act constituting a nuisance as defined under the provisions of Chapter 657, Code of Iowa, or the common law of Iowa, shall be permitted, and the restrictions pertaining to acts within a county in said Code chapter shall be applicable to this Subdivision.

8. These covenants may be amended at any time by a majority vote of the then lot owners of Forest Edge Estates - Part Three. Each lot shall have one vote at any such meeting and said vote may be cast at such meeting either in person or by proxy. Failure of any lot to vote upon any said amendment shall not affect the enforceability of same against said lot or its owner.
